Calling all Tractorologists

The Merrick County Antique Tractor Club will be popping and stopping by Prairie Creek on Aug 13th around 3:00pm. If you want to see some tractors without plastic fenders- here's your chance.

Nick's Vineyard Notes:

Sunday July 31st we participated in the 2nd annual wine smack-down at Slatery Vintage estates in Nehawka. The people have spoken and Nick came away with the trophy!! It was a hot one, but we're looking forward to participating next year. A portion of proceeds from the day benefited the Creighton Magis Clinic.

First of all I want to thank everyone who came out and enjoyed an evening of music, food, and wine last Friday. We served a new record (for us) of 174 people. The new winery was not yet finished but we were able to give everyone a good idea of what it will look like when it is completed.

Yesterday I received a call from Pour House in Friend with a brix reading on their edelweiss. With a reading of 11.5 degrees brix, I expect the first grapes will be coming in the weekend of the 13th. If this date holds true it will push us to get the finishing touches done on the new winery.

We will be kicking the bird's a**es again this year by putting on the nets here in a few days. Its always a fun time for me since I will win again. It also is the slap in the face in that wine making starts soon. I am looking forward to another great year and a bountiful harvest. Nick
